In management's opinion, the Report has been properly prepared within reasonable limits of materiality, incorporating management's best judgment regarding estimates and other data available up to June 25, 2015.

INDEPENDENT AUDITOR'S REPORT
Amounts Paid or Payable to Members of the Assembly

To the Legislative Assembly of the Province of Manitoba

We have audited the accompanying Report of Amounts Paid or Payable to Members of the Assembly for the year ended March 31, 2015 ("the report"). The report has been prepared by management based on Sections 52.27(1) and (2) of *The Legislative Assembly Act*.

Management's Responsibility for the Report

Management is responsible for the preparation of this report in accordance with the basis of accounting described in Note 1, determining that the described framework is acceptable in the circumstances, and for such internal control as management determines is necessary to enable the preparation of the report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the report based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial information in the Report of Amounts Paid or Payable to Members of the Assembly for the year ended March 31, 2015 is prepared, in all material respects, in accordance with the basis of accounting described in Note 1.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the report, which describes the basis of accounting and identifies expenses that are excluded from the report. The report is prepared to assist the Minister of Finance to meet the requirements of Sections 52.27(1) and (2) of *The Legislative Assembly Act*. As a result, the report may not be suitable for another purpose.

1. BASIS OF ACCOUNTING

This report presents the amounts paid or payable to members of the legislature as required by Sections 52.27 (1) and (2) of *The Legislative Assembly Act*.

The reported amounts reflect the following policies based upon directives and interpretations by the Legislative Assembly Management Commission:

- a. MLAs are charged under their constituency expense entitlements with the salary type benefits for constituency staff such as sick leave, statutory holiday pay, and overtime, in addition to their salary and vacation pay. All other benefits, totalling \$511,345 for the year ended March 31, 2015, are not charged to MLAs' entitlements and are therefore excluded from this Report.
- b. Printing and mail processing fees are included in this Report; however, postage costs paid directly to the supplier on the member's behalf are excluded from this Report.
- c. Reimbursement of Premier's and Ministers' Expenses and reimbursement of Other MLA's expenses reflect claims made by the Premier and Ministers for departmental expenses incurred by them or claims paid to MLAs for expenses not provided for under their constituency expense entitlement. Expenses paid by or to a third party on the members' behalf are excluded from this report unless the payment has been processed as on account of the member.
- d. The costs associated with the assignment of government vehicles to members, or payments of the optional car allowance to members, in lieu of assigned vehicles, are excluded from this Report.
