

A look at

Manitoba's self-regulated professions

Under Fairness Legislation

22 health professions

9 sciences, social & technical professions

These 31 professions are controlled by self-regulatory bodies (listed below).

It is their job to set requirements for becoming a member and to discipline members who break the rules. To work in these professions in Manitoba, you need to apply, be assessed and licensed by the self-regulatory body that is responsible.

There are 125+ other regulated occupations in Manitoba. Most are regulated by the government of Manitoba.

Registered Members

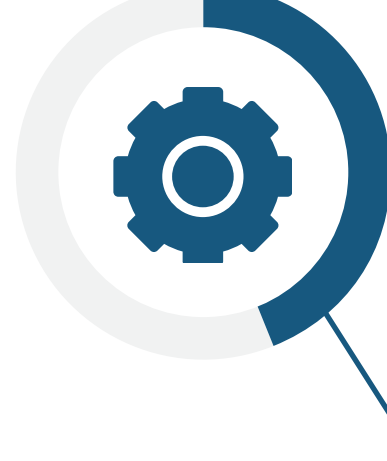

63,564

Total number of registered members in these 31 regulated professions (as of December 31, 2022)

35,814 registered health professionals

27,750 registered sciences, social & technical professionals

Regulator Size

5 of these have less than 100 members

small

10 regulators have less than 500 members

medium

15 regulators have 500 - 3000 members

large

6 regulators have more than 3000 members

Professional Programs

8 professions do not have an education program in Manitoba

6 professions have bridging programs in Manitoba for applicants with foreign qualifications

First Steps

23 regulators require applicants to first apply to a national body as part of their registration process

Starting Work

24 regulators allow qualified applicants to work under supervision prior to registration - often referred to as provisional registration

Here's the Detail
