

Financial Supports

Manitoba Careers for Internationally Educated Professionals Program

This program supports internationally educated professionals (IEPs) towards their goal of working in their professional fields in Manitoba. It provides non-repayable financial assistance to help IEPs with assessment and training costs while pursuing registration.

To be eligible, individuals must have started the registration process with a Manitoba regulator, and be motivated and able to complete the process in a timely, efficient and continuous manner.

Manitoba Student Aid

This is a supplemental financial assistance program for Manitobans who do not have enough resources to pay for post-secondary (university or college) education on their own.

This program provides various types of funding through the Manitoba Student Aid Program and the Canada Student Loans and Grants Programs. Funding includes repayable government student loans and non-repayable grants and/or bursaries.
