Effective Date: March 1, 2012

EIA Programs recently signed an agreement with the Community Unemployed Help Centre (CUHC) for **EIA Advocacy Services**. These services are intended to provide information, advice and advocacy support to EIA participants in Winnipeg and outside of Winnipeg who:

- have questions/concerns regarding EIA Program decisions; and/or,
- who have appealed EIA program decisions to the Social Services Appeal Board (SSAB) (see Attachment 1 for a description of services and activities).

Neighborhoods Alive! is also providing funding to the CUHC for a Public Education/Outreach Coordination Project. This project is intended to provide training and support in poverty law and individual advocacy in community-based organizations.

The CUHC is a non-profit organization primarily dedicated to providing information, advice and representation to unemployed workers in Manitoba with Employment Insurance problems (see Attachment 2 for a description of services and activities). Through an ongoing pilot project with EIA Programs, the Centre also represents individuals who have been denied Canada Pension Plan disability benefits.

These new projects are funded in part in response to the May 2010 Ombudsman Report on the EIA Program recommending that the province enhance advocacy services for income assistance recipients. In addition, the Community Unemployed Help Centre, Legal Aid and the Public Interest Law Centre will be working side by side with services closely linked in the interest of participants.

This valuable partnership between the EIA Program and the CUHC is intended to be collaborative and should be considered an additional resource in assisting EIA participants to navigate and understand our program. It is the EIA Program's expectation that as much as possible, the services of CUHC staff will empower EIA participants to seek clarification of EIA policies and decisions themselves.

The CUHC will begin accepting referrals as of March 1, 2012. Brochures and posters are under development and will be forwarded to each office.

Procedural Information:

- Participants can be referred by the SSAB, a community agency, the EIA staff or access services on their own. The participant or referring agent can call: **204-942-6556**. A CUHC Staff Contact list can also be found in Attachment 3.
- NOTE: **Participants outside of Winnipeg** may also receive services from the CUHC by calling 1-866-942-6556 or by email at cuhc@cuhc.mb.ca.
- CUHC Advocates will encourage the participant to seek further clarification on an issue by contacting his/her Case Coordinator/Counselor.
- CUHC Advocates will obtain a consent form from the participant (see Attachment 4) and contact the Case Coordinator/Counselor if further clarification/information is required.
- If appropriate, CUHC Advocates may also contact the Supervisor/Program Manager or Area Director if issues continue to be unresolved between the participant/CUHC Advocate and the Case Coordinator/Counselor.

Requests for File Information:

The participant and/or CUHC Advocate may ask the Case Coordinator/Counselor for participant file information (e.g., letters, action plan, case notes) to help address the participants issue/concern or for an appeal. Standard EIA procedures should be adhered to if asked to release information from the participant file (Confidentiality and Access to Information - [Section 6.14](#)).
