

# Manitoba's FASD Strategy

## 2024-2029

### THE STRATEGY WILL:

Centre the voices of people with **lived and living experience**

Ensure **service quality**

**Advance reconciliation** and increase **Indigenous-led service provision**

**Reduce stigma** and **promote dignity**

### BY INVESTING IN:

Community awareness

Wrap-around support for pregnant people and families

Increased specialized support for people with FASD across the lifespan

**Together, we can improve outcomes for people impacted by FASD.**
