

# Join the Youth Leadership Council to have your voice heard.

Share **your experiences** and **your thoughts** with the minister of families

The **minister of families** is creating a **Youth Leadership Council** to hear directly from children and youth in **Manitoba**. The minister wants to make sure children and youth have a way of sharing their ideas, their lived experience, their concerns, and offer **their voice** to be reflected in government decisions.

The council will be composed of representatives from youth-service organizations, and youth aged **15-21** who have direct experience with **Department of Families** programs and services.

## **THIS COULD INCLUDE:**

- Are in or have been in **child and family services**
- Live with **disabilities**
- Live in families that receive **Employment and Income Support**
- Live in **Manitoba Housing**
- Have experienced **homelessness**.
