## Manitoba's Routine Immunization Schedule for Infants and Children

Administration of vaccines in accordance with Manitoba's routine immunization schedule provides optimal protection from vaccine-preventable diseases. A different schedule may be needed for high-risk infants and children, those not previously immunized or, if one or more doses of a vaccine are missed.

### For more information about Manitoba's routine immunization schedule:

Talk to your health care provider.

Call Health Links – Info Santé in Winnipeg at 204-788-8200; toll-free elsewhere in Manitoba 1-888-315-9257.

Or visit:

Manitoba's Routine Immunization Schedule at: [www.gov.mb.ca/health/publichealth/cdc/div/schedules.html](http://www.gov.mb.ca/health/publichealth/cdc/div/schedules.html)

## Record of Immunization

Type of Vaccine	Date Given							
	1st Dose (yyyy/mm/dd)	Initials	2nd Dose (yyyy/mm/dd)	Initials	3rd Dose (yyyy/mm/dd)	Initials	4th Dose (yyyy/mm/dd)	Initials
