The House resumed the Adjourned Debate on the Proposed Motion of Hon. Ms. WOWCHUK:

THAT this House approves in general the budgetary policy of the government.

And the proposed amendment moved by Mr. MCFADYEN as follows:

That the Motion be amended by deleting all the words after "House" and substituting:

therefore regrets that this budget fails to address the priorities of Manitobans by:

- (a) forcing Manitoba families to pay higher hydro rates, higher water bills, and a range of other hidden taxes in order to pay for three wasteful NDP pet projects which are:
 - i. forcing Manitoba Hydro, against its advice, to build Bipole III on the west side route, costing Manitobans an extra \$640 million, and damaging the environment; and
 - ii. forcing the City of Winnipeg to remove nitrogen from its wastewater, a decision that is expected to cost ratepayers an additional \$350 million, and which respected scientists say could be harmful to the health of Lake Winnipeg; and
 - iii. forcing unwanted enhanced drivers' licenses on Manitobans, costing \$14 million; and
- (b) creating a sinkhole of debt, now at \$23.4 billion and rising. As a result, Manitoba families will be forced to work longer hours at lower pay to pay off this bill in the years ahead; and
- (c) scrapping balanced budget laws in order to allow the NDP to accrue massive deficits totalling \$2.039 billion over the next half decade, putting social programs such as healthcare and education at risk; and
- (d) failing to preserve front line health care services with innovative service delivery, emphasizing preventative care, and reducing bloated bureaucracy; and
- (e) failing to recognize the importance of agriculture and rural communities to our economy; and
- (f) failing to offer a plan to encourage private investment to create opportunity and wealth, so Manitobans can feel hope that we will one day emerge from the hole of debt and dependency and see a brighter future.

As a consequence, the government has thereby lost the confidence of this House and the people of Manitoba.

And the proposed sub-amendment moved by Hon. Mr. GERRARD as follows:

THAT the amendment be amended by adding thereto the following words:

And further regrets that this budget fails to address the priorities of Manitobans by:

- (g) failing to properly manage the finances of Manitoba and as a result building up a huge structural deficit which will hurt Manitobans for many years to come; and
- (h) failing to acknowledge the damage the payroll tax has on economic growth; and
- (i) failing to set high goals for our provincial education system; and
- (j) failing to create an adequate action plan and funding for early childhood education in Manitoba, and

- (k) failing to increase student aid support to post-secondary education students and increasing tuition for university students by 5% which is above the cost of living.
- (l) failing to recognize the need for, and address the establishment of, a Manitoba Science, Engineering and Humanities Research Council; and
- (m) failing to reduce wait times for post-secondary institutions; and
- (n) failing to put patients first by continuing to base RHA spending on global budgets, rather than services delivered; and
- (o) failing to adequately address the diabetes epidemic facing Manitoba and to set a target for reduction of the incidence of diabetes in our province; and
- (p) failing to ensure local community access to health care as has happened with the Westbrook Medical Clinic closure; and
- (q) failing to develop a Manitoba policy on what services community hospitals should provide; and
- (r) failing to implement a plan to reduce child poverty rates in Manitoba; and
- (s) continuing to ignore the need to set targets and hire sufficient enforcement officers to ensure progress on cleaning up Lake Winnipeg and other Manitoba lakes suffering from toxic algae blooms; and
- (t) failing to support the agricultural sector by refusing to fund eco-friendly farming practices, such as a province-wide ALUS program; and
- (u) failing to address climate change and not running a carbon-neutral government; and
- (v) failing to address Northern Manitoba housing issues; and
- (w) failing to act on economic development for First Nations and rural Manitobans; and
- (x) failing to reduce waiting times to a reasonable level in issuing nominee certificates.

And the debate continuing on the sub-amendment,

And Mr. GOERTZEN, Hon. Mr. RONDEAU, Mr. SCHULER, Hon. Ms. MARCELINO, Mrs. DRIEDGER and Mr. JENNISSEN having spoken.

And Mr. DYCK speaking at 5:00 p.m. The debate was allowed to remain in his name.

Monday, April 12, 2010

The House then adjourned at 5:00 p.m. until 1:30 p.m. Tuesday, April 13, 2010.

Hon. George HICKES,
Speaker.
