ORDERS OF THE DAY

GOVERNMENT BUSINESS

ADJOURNED DEBATE (Fifth Day of Debate):

On the Proposed Motion of Hon. Mr. SELINGER –

THAT this House approve in general the budgetary policy of the government.

And the Proposed Motion of Mr. MURRAY in amendment thereto as follows:

THAT the motion be amended by deleting all the words after "House" and substituting the following:

therefore regrets this budget ignores the present and future needs of Manitobans by:

- (a) failing to offer Manitobans any vision for an innovative, successful and sustainable future;
- (b) failing to provide a long-term personal income tax reduction strategy that addresses the fact that middle-income Manitobans are the highest taxed west of Quebec;
- (c) failing to provide a sustainable provincial spending plan;
- (d) failing to provide Manitobans with timely disclosure of the \$150 million retroactive tax imposed on Manitoba Hydro in order to avoid a deficit in the 2001/02 budget year;
- (e) failing to provide an economic development plan to provide sustainable economic growth for Manitoba;
- (f) failing to provide any incentive for young people to remain in Manitoba despite recent information showing that Manitoba suffered a net inter-provincial migration loss of 4,549 people in 2001, up 47 percent from the previous year; and

(g) failing to provide adequate supports to Manitoba's agricultural sector.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.
