NOTICE OF MOTION FOR THURSDAY

PROPOSED RESOLUTION:

Mr. CULLEN – Rail Line Abandonment

17. WHEREAS railways have been a part of Manitoba's heritage and history since before the founding of our province; and

WHEREAS if not for the development of the Intercontinental Railway System Manitoba would not exist as it does today; and

WHEREAS active railways also present a form of transportation that engenders less impact on the environment than other forms of land transportation; and

WHEREAS rail line abandonment removes vital transportation links and access important to rural Manitobans; and

WHEREAS if rail lines are abandoned there will be further increases in traffic on Manitoba's highways system; and

WHEREAS there is a need to support mass public transportation and efficient cargo shipment in our desire to become a more environmentally friendly province; and

WHEREAS the Provincial Government must lead by example in supporting this objective; and

WHEREAS rail line abandonment flies in the face of this objective and is a retroactive step in the quest to increase rural access, to protect Manitoba's heritage, and to pursue environmentally friendly transportation policies.

THEREFORE BE IT RESOLVED THAT the Legislative Assembly of Manitoba urge the Provincial Government to consider an end to the practice of rail line abandonment in the Province on Manitoba, ensuring the continued viability of a mode of transportation that has been a part of our provincial heritage, enables access to rural Manitobans, and is more environmentally friendly than traditional highway transportation.
