NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Mr. DYCK– Putting Manitobans First

14. WHEREAS a 2003 report by the Manitoba Pension Commission included a number of recommendations for reforms to *The Pension Benefits Act*; and

WHEREAS only one of the recommendations outlined in the 2003 Pension Commission’s report was implemented as a result of legislation that was passed in 2005; and

WHEREAS the Provincial Government waited until 2010 to prepare regulations to implement other components of the Bill; and

WHEREAS the Minister of Labour's rationale for waiting five long years after the legislation passed to implement the 2005 legislation was the complexity of the implementation; and

WHEREAS the current Provincial Government wastes no time implementing technically complicated legislation that provides a benefit to its party or members, including changes to the balanced budget legislation in 2008, 2009, and recently announced changes for 2010; and

WHEREAS the Provincial Government has passed and implemented other pieces of legislation in recent years that have resulted in a benefit to its party, including Bill 37 that was brought forward in 2008, introducing a new "vote tax" that was indexed to inflation; and

WHEREAS the Provincial Government has been sure to protect its own funding, and yet the Manitoba Teachers' Retirement Allowances Fund is not indexed to inflation, reducing income security for thousands of Manitobans; and

WHEREAS Manitobans deserve a government that is interested in serving all Manitobans, rather than a government that is fixated on its own interests.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to apply the same level of zeal for passing and implementing legislation that protects the interest of pensioners and everyday Manitobans, as it does for passing and implementing legislation that serves its own interests.
