ADJOURNED DEBATE (FIFTH DAY OF DEBATE):

On the Proposed Motion of Hon. Mr. DEWAR –

THAT this House approves in general the budgetary policy of the Government.

And the Proposed Motion of Mr. PALLISTER in amendment thereto as follows:

THAT the motion be amended by deleting all of the words after “House” and substituting:

therefore regrets that this budget neglects the priorities of Manitobans by:

- a) failing to recognize that Manitobans are tired of broken promises such as: balancing the budget by 2014 and not raising taxes; not respecting the right to vote on tax increases and not recognizing that Manitobans want a change for the better; and
- b) failing to recognize Manitobans are paying more and getting less due to front line services like health care and education being ranked last and also due to an average family in Winnipeg having to pay \$3,200 more in provincial taxes than a comparable average family living in Regina; and
- c) failing to acknowledge that government waste has caused the provincial debt to double since 2008 requiring Manitobans to pay more than \$800 million in debt interest charges which threatens Manitoba’s future as that money cannot be invested to protect essential frontline services, reduce health care wait times or improve education results for our children.

As a consequence, the Provincial Government has thereby lost the confidence of this House and the people of Manitoba.
