OPPOSITION DAY MOTION:

Mr. GOERTZEN –

That the Legislative Assembly of Manitoba condemn the Provincial Government's actions in repeatedly violating procurement rules in awarding untendered contracts, as highlighted in the March 2014 Report from the Auditor General of Manitoba, including announcing a \$5 million contract for flood fighting equipment without tender and without Treasury Board approval on July 25, 2014.

12. Since the Member for Elmwood is identified as a Member of Parliament and not a Member of the Manitoba Legislative Assembly in a photo appearing in the Wednesday, April 2, 2014 issue of the Herald community newspaper, can he disclose if any Provincial Government staff or resource or Manitoba Legislative Assembly staff or resource was used to take the photo?

NOTICE PAPER

NOTICE OF MOTION FOR TUESDAY:

PROPOSED RESOLUTION:

Ms. LATHLIN – Provincial Government Support for Northerners' Health

18. WHEREAS Manitoban families expect their health care system to offer high quality and safe patient care and the Provincial Government agrees that northern Manitoban families should expect such care; and

WHEREAS the Provincial Government has invested in upgrading northern hospitals and personal care homes as well as building Cancer Hubs, renal health centres and addiction treatment centres to make a wider variety of health care more accessible; and

WHEREAS the Provincial Government has created return of service programs and is covering tuitions for medical and nursing students who commit to working in northern communities; and

WHEREAS at-risk young people struggling with mental health and addictions issues can access care centres to get help and have a safe place to stay; and

WHEREAS the Provincial Government continues to make good on its commitments to upgrade the Provincial highways network to allow safe and reliable transportation to and from health care facilities across the Province; and

WHEREAS the Provincial Government has introduced new programs which support local food self-sufficiency and create retail subsidies to make healthy food more accessible and affordable in the north; and

WHEREAS the Leader of the Official Opposition and his caucus don't consider the north a priority, don't want to invest in northern health care and cut nearly \$8 million from northern hospitals the last time he was in government.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to reject calls for cuts and privatization, and continue to work hard to build a health care system which better meets northern families' expectations; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to draw the Federal Government's attention to northern issues and work with Prime Minister Trudeau and northern communities to find solutions that help northern Manitobans.

NOTICE OF COMMITTEE MEETING:
