DEBATE ON SECOND READINGS:

On the Proposed Motion of Hon. Mrs. STEFANSON –

(No. 2) – The Legislative Assembly Amendment Act/Loi modifiant la Loi sur l'Assemblée législative

(Mr. ALTEMEYER – 15 mins.)

DEBATE ON GOVERNMENT RESOLUTION:

Hon. Mr. CULLEN – Trans-Pacific Partnership

WHEREAS Manitoba's exports to Trans-Pacific Partnership countries averaged more than \$9 billion annually from 2012 to 2014; and

WHEREAS the Trans-Pacific Partnership will support economic growth and job creation by eliminating tariffs on almost all of Manitoba's key exports while providing access to new opportunities in the Asia-Pacific region; and

WHEREAS exclusion from the Trans-Pacific Partnership would close access to critical trade markets and put Manitoba jobs at risk.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba confirm its support for the Trans-Pacific Partnership and call on the Federal Government to take the necessary actions to ratify the agreement.

(Mr. MARCELINO (Tyndall Park) – 13 mins.)

GOVERNMENT RESOLUTION:

Hon. Mrs. STEFANSON – Air Canada Public Participation Act

WHEREAS Manitoba is home to a world class aerospace industry, the largest in Western Canada, employing 5,400 people directly and many more indirectly in related sectors; and

WHEREAS maintaining a competitive aerospace industry outside of eastern Canada is in the national interest; and

WHEREAS federal amendments to the *Air Canada Public Participation Act* virtually eliminate any obligation for Air Canada to maintain high quality, skilled, heavy maintenance jobs in the province and is contrary to the interests of Manitobans; and

WHEREAS the Federal Government has pushed through its amendments to the *Air Canada Public Participation Act* without adequate consultation or firm commitments to the Manitoba aerospace sector and despite clear opposition from the Provincial Government, business and labour organizations.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba oppose passage and proclamation of Bill C-10 and continue to do so until such time as specific commitments made by the Federal Government and Air Canada are sufficient to reassure Manitobans that changes to the *Air Canada Public Participation Act*, and related accompanying investments in training, innovation and job creation, will provide a net benefit to the Manitoba economy.
