NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. LINDSEY – Recognition that the Minimum Wage should be Increased

3. WHEREAS Manitoba has a 17 year tradition of minimum wage increases that equitably reflect the interests of labour and business in Manitoba; and

WHEREAS the previous Provincial Government's record included reducing taxes for small businesses who will pay \$446 million less in taxes this year compared to 1999; and

WHEREAS Manitoba entrepreneurs have saved \$3.8 billion in taxes since 1999; and

WHEREAS minimum wage increases in Manitoba have put more than \$7,500 per year into the pockets of full time minimum wage earners after taxes; and

WHEREAS total minimum wage increases since 1999 are more than twice the rate of inflation, increasing low income purchasing power in Manitoba and growing the economy; and

WHEREAS while increasing the minimum wage annually for 17 years, Manitoba has maintained one of the lowest unemployment rates in the country; and

WHEREAS people at the lower end of the income spectrum must unfairly spend more of their overall income on food, housing and other basic necessities; and

WHEREAS raising the minimum wage helps minimum wage earners support their families and save for tuition fees, textbooks and training; and

WHEREAS the Provincial Government has an obligation to do everything it can to help raise Manitobans out of poverty; and

WHEREAS it is important to maintain a single-tier minimum wage to ensure that all minimum wage earners are treated equitably; and

WHEREAS freezing the minimum wage to a level that forces full-time workers to live in poverty is unacceptable in today's day and age; and

WHEREAS low income Manitobans suffered when the Premier last sat in cabinet and froze the minimum wage seven times.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to implement an increase to the minimum wage this year in accordance with Manitoba's tradition, recognizing that raising the minimum wage is an effective tool for bringing Manitobans out of poverty and growing the economy.
