RESOLUTION:

Mr. SWAN – Extension of Care

13. WHEREAS young people under the protection of Child and Family Services who are ageing out of care require additional supports beyond the age of twenty-one to twenty-five years of age; and

WHEREAS extending the age of care to twenty-five years would provide important supports for young people as they pursue post-secondary education, find jobs, access mental-health services and seek affordable housing; and

WHEREAS many youth in care struggle to complete education programs, acquire work experience and achieve success in school, challenges which can create long term difficulties for youth as they age out of care at twenty-one years; and

WHEREAS the Provincial Government already invests in some supports for young people who have aged out of care including covering post-secondary tuition fees; and

WHEREAS ending supports for children in care at twenty-one years can make it difficult for vulnerable youth, such as those living with mental illness, disabilities or addictions, to access secure housing and extra supports for themselves after they leave their foster home; and

WHEREAS other provinces, including British Columbia and Ontario extend care to youth until their mid-twenties and in a 2012 report the Provincial Advocate for Children & Youth in Ontario reasoned that for every extra dollar paid out the province would recoup \$1.36 over a child's lifetime through additional income tax revenue, less spending on social assistance and a reduction in criminal activity and incarceration rates.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to extend the age of care for children in care from twenty-one to twenty-five years.

DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government's unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government's decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province's growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.
