NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. WIEBE – Provincial Government Cuts to Education Hurt Manitoba Students

7. WHEREAS the Provincial Government has frozen K to 12 education funding below inflation, meaning schools have received a de facto cut to funding that does not keep up with enrollment and growth in the economy; and

WHEREAS in the school year 2017-18, twenty-three school divisions have seen an absolute reduction in their funding, representing more than \$7 million in cuts; and

WHEREAS the Provincial Government has made deep cuts to the Bureau de l'éducation française, including eliminating the Assistant Deputy Minister and leaving French language positions unfilled, putting the future of French language education at risk; and

WHEREAS these cuts mean greater pressure on teachers, fewer resources for schools, bigger class sizes and less one-on-one time between students and teachers; and

WHEREAS the Provincial Government has continued its attack on post-secondary education by hiking tuition fees by up to 7% a year and cutting supports for post-secondary students; and

WHEREAS on top of these tuition hikes, the Provincial Government cut millions in tax credits for students and recent grads while cutting back on capital funding for post-secondary education; and

WHEREAS the Provincial Government is now cutting health coverage for international students, increasing both the cost of living for future Manitobans and total tuition costs for domestic students; and

WHEREAS strong post-secondary education tied to labour market outcomes is one of the best ways to grow Manitoba's economy and ensure every person has a good, reliable job; and

WHEREAS the Premier and his Cabinet are attempting to balance their budget on the backs of students and families while they devise schemes to increase their salaries.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately reverse the cuts to K-12 and post-secondary education which have failed Manitoba students in order to ensure every student has access to affordable, quality education.
