(Mr. MICHALESKI – 9 minutes)

---

**RESOLUTION:**

**Mr. SALA – Keep Manitoba Hydro Public**

**10.** WHEREAS Manitoba Hydro, including its subsidiaries, is a publicly-owned Crown Corporation and therefore belongs to all Manitobans; and

WHEREAS Manitobans deserve affordable and consistent utility rates, which can be ensured by keeping Manitoba Hydro and its subsidiaries operational and public; and

WHEREAS provinces that privatized their hydro services such as Ontario, British Columbia and Nova Scotia have experienced massive increases in energy rates and less public accountability; and

WHEREAS the Provincial Government has repeatedly made decisions that make Manitoba Hydro less profitable and are ultimately opening the door for privatization by selling off profitable subsidiaries like Teshmont and putting a stop sell order on Manitoba Hydro International; and

WHEREAS Manitoba Hydro International was recently forced to wind down its international consulting operations, which has consistently made millions in profits for Manitoba Hydro, helping keep rates low; and

WHEREAS this decision will eliminate good jobs and cause experienced professionals to leave the province and put financial pressure on Manitoba Hydro, which will translate into higher utility rates for Manitobans; and

WHEREAS the Provincial Government has plans to deregulate and sell off other divisions and subsidiaries of Manitoba Hydro, putting good paying jobs and the Crown Corporation at risk; and

WHEREAS keeping utility rates affordable is not a priority for the Provincial Government, which is why it is using legislation like Bill 2 and Bill 35 to circumvent the Public Utilities Board and unilaterally raise rates on Manitoban families.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to keep Manitoba Hydro public by ensuring that no piece of Manitoba Hydro, including its subsidiaries, be wound down or sold off so that Manitoba utility rates remain among the lowest in Canada.

---
