PROPOSED RESOLUTION:

Mr. MOSES – Calling on the Provincial Government to Develop Better Policies to Protect Youth in Sports

14. WHEREAS a Winnipeg high school coach/teacher was recently charged with sexually assaulting and exploiting five former students between 2004 and 2011 at two separate high schools; and

WHEREAS this revelation revealed that current policies regarding student and coach interactions fails to adequately protect youth in sports; and

WHEREAS policies such as coaches and teachers being allowed to have youth at their homes puts youth at risk; and

WHEREAS the majority of these assaults happened at the coach's home behind closed doors; and

WHEREAS the coach was able to continue working as a high school teacher until these revelations were announced over ten years later; and

WHEREAS sexual abuse has an adverse impact on youth that can last for a lifetime; and

WHEREAS sexual abuse survivors face stigma in coming forward and are often blamed for being victims; and

WHEREAS children aren't adequately notified of supports available to them in the case of sexual assault; and

WHEREAS support services such as a dedicated text/phone line for athletes to report instances of sexual assault aren't currently in place; and

WHEREAS the Provincial Government has the legislative ability to develop better policies to protect youth.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to develop better policies to protect youth in sports from potential abuse such as preventing coaches/teachers from having players/students at their homes and by implementing services such as a dedicated text/phone line for athletes to report instances of sexual assault.
