# **NOTICE PAPER**

## **NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:**

### **PROPOSED RESOLUTION:**

#### **Mr. BUSHIE – Calling on the Provincial Government to Stop Cutting Education Funding**

**28.** WHEREAS adequately funded education supports the development of Manitoba's children and has the potential to break cycles of poverty, close the gap in social inequality, create a more inclusive society and much more; and

WHEREAS the Provincial Government has cut core operating funding for education by \$36 million since 2019; and

WHEREAS the Provincial Government underspent education by \$112 million in 2021-2022 alone; and

WHEREAS the Provincial Government underspent strategic infrastructure investments in Education by \$108 million in 2021-2022; and

WHEREAS the Provincial Government has spent millions on consultants for Bill 64, a curriculum evaluation and an education funding review rather than investing in education; and

WHEREAS the province's share of education funding has fallen from 62.4% to just 56.4%, forcing school divisions to make cuts to programs and staff; and

WHEREAS school divisions have been forced to make cuts to programs that students rely upon such as all-day kindergarten, speech-language pathology, psychology and reading recovery; and

WHEREAS Brandon School Division and Seven Oaks School Division have been forced to cut 11 and 28 educators respectively; and

WHEREAS the Provincial Government has failed to listen to the concerns of Manitobans surrounding education funding cuts, and has continued to make cut after cut; and

WHEREAS the Provincial Government has failed to adequately support students and educators in the province, particularly in northern and rural Manitoba; and

WHEREAS these cuts put the quality of education in the province at risk.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to stop cutting funding for education and to invest in Manitoba's students.
