

Project Site Plan Guide

Please indicate the following:

1. Property boundaries, access points to the property and property dimensions
2. Animal confinement facilities and confined livestock areas, any shelterbelts, wells or water source locations
3. Separation distances
4. Nearby dwellings and/or neighbouring designated residential areas
5. Municipal or provincial roads and provincial trunk highways

Please see Project Site Plan Example for assistance.

Please include an ortho (aerial) photo of the project site.
