South Central Planning District By-Law as amended \_\_\_\_\_

Subject Provision We want to expand our animal units from our current number of 1720 with all livestock sectors in total. With just counting hog animal units we currently stand at 750 units. We are permitted 820.

Varied to Allow/Conditional Use Requested/Amended to: With this, the proposed expansion we would like to increase our animal units to 2970 in total (all livestock considered), which is to add an additional 1250 hog animal units.

Reasons in support In our opinion this expansion will be of economic benefit to the region as well as create valuable fertilizer for use upon the land in the area. Local land being of the Class and type that it is, stands to improve from this fertilizer.

I/We undertake to observe and perform all provisions of The Planning Act, the applicable Zoning By-Law, any development agreement entered into under Section 46 of The Planning Act and any conditions imposed under Sections 53 or 55 of The Planning Act. I/We agree to the public disclosure of all information which is provided to the municipality or members of Council in connection with this application.
