File: Hylife Ltd. -29

Matt Reimer Tech.Ag  
Director of Environmental Affairs  
Hylife Ltd.

Dear Mr. Reimer:

This letter is in response to your email requesting to add more locations to explore for groundwater in connection with the **Groundwater Exploration Permit** issued to Hylife Ltd. on February 20, 2020, which provides authorization to construct well(s) and divert groundwater for Hylife Nursery Farm in SE 23-6-21 WPM and NE 23-6-21 WPM in the Municipality of Grassland, Manitoba.

This letter shall amend the "**Groundwater Exploration Permit**" issued to Hylife Ltd. as follows:

**Delete:** SE 23-6-21 WPM

**Replace with:** SE 24-6-21 WPM, NW 13-6-21 WPM and SE 25-6-21

Please attach this letter to your "**Groundwater Exploration Permit**". All other terms and conditions shall remain the same.

The issuance of this Permit does not imply that the Department will extend or renew the Permit in subsequent years.

Please contact Ronaldo Miranda at 204-945-6475 should you have any questions regarding this letter or the water rights licensing aspects of this project.

Yours truly,

Kylene Wiseman, P. Geo.  
A/Head of Groundwater Licensing  
Drainage and Water Rights Licensing Branch
