

## Manure Contract

This Agreement starts on November 1, 2020.

Between:

Manova (2012) LTD. Blumenort, MB

And

10181755 Manitoba LTD. Steinbach, MB

And

And Reimark Farms Inc. Steinbach, MB

*Whereas 10181755 Manitoba LTD. and Reimark Farms Inc. have agreed to take all the manure from Manova (2012) LTD. at the location at 33011 Two Mile Road, Blumenort, MB. To spread on Reimark Farms Inc. fields and fields CO-Farmed by Reimark Farms Ltd. and 10181755 Manitoba Ltd.. All the fields listed for spreading manure are in the R.M. of Ste. Anne or R.M. of Tache.*

**AND Whereas Manova (2012) LTD.** will ensure the manure is dried proper and grant access to the manure shed on an agreed time by all parties each fall

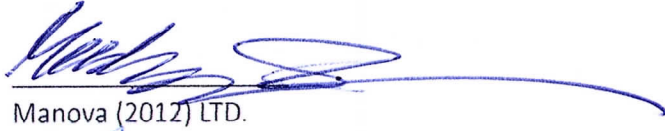

**AND WHEREAS 10181755 Manitoba Ltd. and Reimark Farms Ltd.** will clean out the manure storage shed each fall

**THEREFORE, IT IS AGREED BY ALL PARTIES AS FOLLOWS:**

1. **10181755 Manitoba Ltd** will provide the manure-loading equipment and for transport a MPI licensed tandem truck with a rear mounted-manure spreader.  
The truck will have a suitable tarp to ensure no manure falls off the spreader on the planned route to the application site. The route to the field is the most direct, the least populated road, and avoiding all chicken farms as much as possible
2. **10181755 Manitoba Ltd.** ensures the proper spreading pattern and maintaining a 5-acre spread per load with a spreader truck that will be using a GPS guidance system for accuracy.
3. **Reimark Farms Inc.** will work in the manure within 48 hrs. of spreading to ensure no runoff and evaporation of nutrients
4. **Reimark Farms Inc.** will take annual soil samples of each field and work with a professional agronomist to develop the annual cropping plans taking into consideration the timing of manure application & selecting the right fields, selecting the right crops, and the annual nutrient removal. The goal is to use best Farming practices which coincides with the Present Manitoba Government manure application guidelines.

This Contract is valid and effective for 10 years from the agreement's inception, The Contract matures on October 31, 2030.

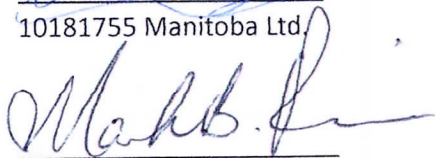

Each party can make changes to this contract only upon written consent by all three parties named in this contract
