

AN ORDER OF THE CLEAN ENVIRONMENT COMMISSION  
UNDER THE CLEAN ENVIRONMENT ACT

---

1177  
COPY

RE: THE CLEAN ENVIRONMENT COMMISSION and THE DEPARTMENT OF NATURAL RESOURCES, Applicant,

WHEREAS pursuant to the provisions of The Clean Environment Act, the Department of Natural Resources filed a proposal with the department in connection with the upgrading and continued operation of a septic tank and sewage disposal field system located in Section 17, Township 11, Range 15 EPM in the Whiteshell Provincial Park, Manitoba, serving the Brereton Lake Campground;

AND WHEREAS in the absence of limits, terms and conditions prescribed by a regulation, the proposal was referred to The Clean Environment Commission to prescribe limits, terms and conditions;

AND WHEREAS after giving notice of its intention to set limits, terms and conditions, the Commission did not receive notice of representation from any person who was likely to be affected;

AND WHEREAS the Commission considered the operation on the 15th day of March, 1988;

IT IS HEREBY ORDERED THAT

1. The Applicant shall operate and maintain all tankage, lift stations and appurtenances associated with the said septic tank and sewage disposal field system in such a manner as to
  - (a) prevent the contamination of groundwater;
  - (b) prevent the sewage from entering Brereton Lake.
2. The Applicant shall ensure that the sludge or septage removed from the tankage associated with the said septic tank and disposal field system is disposed of in a manner acceptable to the Environmental Management Division.
