Licence No. 1238

Issue Date November 18, 1988

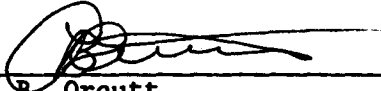

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

MANITOBA HYDRO, APPLICANT

The following terms and conditions shall be complied with in connection with the construction of a 230 kV transmission line and 230/66 kV Station between the existing Ashern-Rosser 230 kV transmission line (A3R) near the town of Eriksdale and the termination point at the Station location near the town of Silver:

1. The Applicant shall construct the 230 kV transmission line on the preferred route A-D-H-K-N and the Station at site 2 in accordance with the construction, operation, and maintenance considerations specified in the Transmission and Stations Engineering and Construction Report entitled "Preferred A3R-Silver 230 kV Transmission Line Route and Station Site Selection."
2. The Applicant shall adhere to the revision to the preferred route by crossing the road from the North side to the South side in Section 9, TWP. 22, Rge. 2 EPM. in accordance with Point #2 in the revisions specified in the Transmission and Stations Engineering and Construction Report entitled "Preferred A3R-Silver 230 kV Transmission Line Route and Station Site Selection."
