

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

R.M. OF MACDONALD – COMMUNITY OF SANFORD WASTEWATER STABILIZATION POND EXPANSION – FILE: 1921.10

A proposal was filed by the Rural Municipality of Macdonald for the expansion of Sanford's existing wastewater treatment lagoon that is located on NW-17-8-1 EPM in the Rural Municipality of Macdonald. The proposed development consists of the following: converting the existing secondary cell to a primary cell; converting the existing primary cell to secondary cell; and construction of an additional storage cell that will be located adjacent to and east of the existing two-cell wastewater treatment lagoon. Treated wastewater from the wastewater treatment lagoon will be discharged between June 15th and November 1st of any year via Kosc Coulee to the La Salle River.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (asit.dey@gov.mb.ca), not later than SEPTEMBER 8, 2015. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Asit Dey, Environmental Engineer at 204-945-2614.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
