Dear Michael French:

**Re: Environment Act Licence No. 2650 RR - Notice of Alteration Request**

Thank you for your notice of alteration to Environment Act Licence No. 2650 RR, received September 1, 2022. I understand you wish to extend the effluent irrigation program until October 31, 2022.

I approve the alteration per Section 14(2) of The Environment Act. I am satisfied the alteration will not have a significant impact on the environment. Your effluent irrigation must comply with Manitoba's Nutrient Management Regulation and not cause standing water or runoff from the irrigated parcels.

All other clauses of Environment Act Licence No. 2650 RR remain in effect.

Should you have any questions regarding this approval, please contact Jennifer Winsor, Senior Environmental Engineer, Environmental Approvals Branch at [Jennifer.Winsor@gov.mb.ca](mailto:Jennifer.Winsor@gov.mb.ca) or 204-945-7012.

For questions relating to the ongoing administration of the licence, please contact Kristy Forrestall, Regional Supervisor, Environmental Compliance and Enforcement Branch at [Kristy.Forrestall@gov.mb.ca](mailto:Kristy.Forrestall@gov.mb.ca) or 204-573-0518.

Sincerely,
