

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

WHITESHELL HOLDING CO., LTD. - WASTEWATER TREATMENT LAGOON DISCHARGE ALTERATION – FILE: 3087.10

The Whiteshell Colony has filed a proposal pursuant to *The Environment Act* for an alteration to the existing wastewater treatment lagoon located in the southeast quarter of Section 33-12-11 EPM in the Rural Municipality of Whitemouth. The proposed alteration is to construct a discharge pipe and gate valve at the secondary cell to allow for the option to discharge treated effluent via trickle discharge to an existing ravine which discharges to the Whitemouth River between June 15th and October 31st of any year. The lagoon is currently licensed for discharge of treated effluent via irrigation by injection onto agricultural land.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (jennifer.winsor@gov.mb.ca), not later than DECEMBER 13, 2013. Further information is available from the Public Registries located at 123 Main St. (Union Station) Main Floor, Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online registry at <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Jennifer Winsor, Environmental Engineer at 204-945-7012.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
