Re: Environment Act License Name Change – St Jean Baptiste, MB – License 2048 RR

Dear Krystal,

In light of the recent acquisition of the ag retail locations from Viterra Inc., please change the legal name of the Environment Act License 2048 RR for St Jean Baptiste, MB to Crop Production Services (Canada) Inc.

While License 2048 RR shows that the facility was licensed to operate a crop protection products warehouse, bulk granular fertilizer, anhydrous ammonia storage, and distribution facilities, legacy companies added a mobile seed treatment plant which has been in operation for a number of years. At this time, we would like to notify you that Crop Production Services (Canada) Inc. plans to continue to conduct seed treatment operations from this location. The mobile seed treatment operation is conducted using a seed treater that is attached to a portable auger; all contained within a portable containment berm.

Sincerely,

A handwritten signature in blue ink that reads 'Randi Cyr'.
