April 26, 2018

Andrew Weremy
Chief Administrative Officer
Rural Municipality of St. Andrews
Box 130
Clandeboye MB R0C 0P0

Dear Mr. Weremy:

This is in response to a Notice of Alteration filed on behalf of the Rural Municipality of St. Andrews by Stantec Consulting Ltd., dated March 23, 2018, and concerning the addition of wastewater delivered by forcemain from Chesley's Resort to the Petersfield wastewater treatment lagoon.

The proposed alteration involves a five metre lengthening of the unconstructed new primary cells of the facility and the installation of a forcemain into the north primary cell. We have reviewed the proposed alteration and have determined that the environmental effects of the alteration are insignificant. The alteration can therefore be approved pursuant to Section 14(2) of The Environment Act. Approval to implement the alteration is hereby provided.

Yours truly,

Tracey Braun, M.Sc.
Director
Environmental Approvals Branch
