Dear Pete Skjaerlund:

RE: Environment Act Licence No. 2439 R - Licence Clause Suspension Request

This letter acknowledges the emailed request submitted by the RM of Taché on May 30, 2022, to allow the discharge of effluent from the secondary cell of the Town of Lorette Wastewater Treatment Lagoon outside of the discharge dates specified in Environment Act Licence 2439 R.

I am granting a suspension of Clause 27(e) and (f) of Environment Act Licence 2439 R pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the discharge of the secondary cell of the lagoon subject to the following condition. The suspension is in effect from June 3, 2022 to June 16, 2022 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2439 R remain in effect.

If you have any questions, please call Curt Bueckert, Environment Officer in Steinbach at 204-371-0889 or Curt.Bueckert@gov.mb.ca

Sincerely,

Kristal Harman,
Director, Environmental Compliance
and Enforcement
