Dear Ryan Dyck:

**RE: Environment Act Licence No. 2712 - Licence Clause Suspension Request**

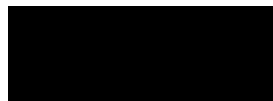

This letter acknowledges the emailed request submitted by the Town of Niverville on May 3, 2022, to allow the discharge of effluent from the secondary cell of the Town of Niverville Wastewater Treatment Lagoon outside of the discharge dates specified in Environment Act Licence 2712.

I am granting a suspension of Clause 16(d) of Environment Act Licence 2712 pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from May 11, 2022 to May 24, 2022 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2712 remain in effect.

If you have any questions, please call Curt Bueckert, Environment Officer in Steinbach at 204-371-0889 or [Curt.Bueckert@gov.mb.ca](mailto:Curt.Bueckert@gov.mb.ca)

Sincerely,

Kristal Harman,  
Director, Environmental Compliance  
and Enforcement
