Dear Santokh Randhawa:

**RE: Environment Act Licence 2284 RRRR – Licence Clause Suspension Request**

This letter acknowledges the emailed request submitted by the City of Morden on May 9, 2022, to commence discharge of effluent from Cell 1 and Cell 3 of the Morden Wastewater Treatment Lagoon prior to the discharge period prescribed by Clause 19. d) of Environment Act Licence 2284 RRRR

I am granting a suspension of Clause 19. d) of Environment Act Licence 2284 RRRR pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from May 10 until May 23, 2022, inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2284 RRRR remain in effect.
