

Notice of Environment Act Proposal

Manitoba Conservation has received a proposal pursuant to The Environment Act from the following operation and invites public participation in the review process:

RURAL MUNICIPALITY OF SHELL RIVER WASTEWATER TREATMENT LAGOON (FILE: 5500.00)

A Proposal has been filed by Stantec Consulting Ltd. on behalf of the Rural Municipality of Shell River for the construction and operation of a wastewater treatment lagoon in NE 20-25-28W, approximately 5 km south of Roblin and immediately west of PTH 83. The project involves the construction of a new wastewater treatment lagoon with a clay liner and a truck dumping station. All wastewater to be treated at the facility would be truck hauled from rural and seasonal homes in the Rural Municipality. Treated effluent from the facility would be discharged to a road ditch flowing east under PTH 83 and southeast along the west side of PR 583 to the Shell River. Discharges would occur during the period June 15 to October 31. Construction of the facility is proposed for the summer of 2011.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by e-mail (bruce.webb@gov.mb.ca), not later than FEBRUARY 25, 2011. Further information is available from the Public Registries located at 123 Main St. (Union Station) Main Floor, Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Manitoba Eco-Network, 3rd Floor, 303 Portage Ave.; R.M. of Shell River Municipal Office, 213 - 2nd Avenue NW, Roblin or by contacting Bruce Webb, Environmental Engineer at 945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
