Tracey Braun
Director – Environmental Approvals Branch
Manitoba Conservation and Water Stewardship
123 Main Street, Suite 160 (Box 80)
Winnipeg, MB R3C 1A5

Dear Ms. Braun:

**RE: KEYYASK GENERATION PROJECT – ALTERATION REQUEST
EXPAND EMPA D23 (2)-E
ENVIRONMENT ACT LICENCE NO. 3107, CLIENT FILE 5550.00**

Manitoba Hydro, in its delegated authority to manage construction of the Keeyask Generation Project on behalf of the Keeyask Hydropower Limited Partnership, is requesting an alteration to Environment Act Licence (EAL) No. 3107 to expand Excavated Material Placement Area (EMPA) D23 (2)-E.

The expansion of EMPA D23 (2)-E is required in order to maintain a 50 m treed buffer from the South Access Road Right-of-Way, see attached figure. The EMPA will be accessed by two 8 m wide access trails. The expansion is within the land owned by the Keeyask Hydropower Limited Partnership.

If there are any questions or concerns with this request, please contact Jodine MacDuff at 204-360-5539.

Yours truly,

A handwritten signature in blue ink that reads 'G. Schwick for'.

Dave Bowen, P. Eng, M.Sc
Keeyask Project Manager
Major Capital Projects
