

**Lake Winnipeg East System Improvement Transmission Project**

- Project Infrastructure**
-  Final Preferred Route (PQ95)
  -  Project Footprint
- Infrastructure**
-  Electrical Station
  -  Generating Station
  -  66 kV Sub Transmission Line
- High Value Reforestation**
-  High Value Reforestation Site
- Landbase**
-  Community
  -  Provincial Highway
  -  Provincial Road
  -  Local Road
  -  Watercourse
  -  Registered Trapline Boundary
  -  Protected Area
  -  Provincial Park
  -  Waterbody
  -  Wildlife Management Area

Coordinate System: UTM Zone 14N NAD83  
 Data Source: MBHydro, ProvMB, NRCAN, Tembec  
 Date Created: December 06, 2012

**High Value Reforestation Sites Intersected by the Project Footprint**

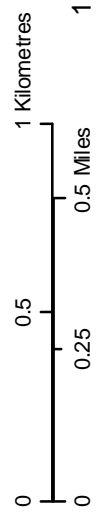

**Lake Winnipeg East System Improvement Transmission Project**
