

Economic Benefits

- Lalor Mine and concentrator will employ approximately 430 employees at full production.
- Reed Mine will employ 88 employees at full production.
- Concentrate produced at each mine will be processed in Flin Flon, providing additional economic benefit
- Northern contractors, supply services and other businesses will have opportunities.

Closure Planning

- Closure plans for Lalor and Reed will be updated
- Manitoba keeps Hudbay's financial assurance to make sure closure will be paid for.
- Hudbay has successfully completed reclamation on many mining operations across Canada, with several of these sites located in the Snow Lake region
- The area will be returned, to the extent possible, to its natural state
