

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

BARKMAN CONCRETE LTD. – PRECAST CONCRETE PRODUCTS MANUFACTURING FACILITY - FILE: 5679.00

A proposal has been filed on behalf of Barkman Concrete Ltd. for the continued operation and expansion of a precast concrete products manufacturing facility at 152 Brandt Street in Steinbach, Manitoba. The facility manufactures precast concrete products for residential, commercial, agricultural and municipal applications. The potential environmental effects of the development are related to wastewater, noise and dust emissions.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (Eshetu.Beshada@gov.mb.ca), not later than NOVEMBER 15, 2013. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry, <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Eshetu Beshada, Environmental Engineer 204-945-7023.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
