Dear Tracy Stople:

**Re: Remediation of Omands Creek between Dublin and Saskatchewan Avenues**

This is in response to your request of October 4, 2016 concerning the cancellation of Environment Act Licence No. 3095 for the above project. The basis for the request was that all activities related to the project were complete. This was confirmed by the Environmental Compliance and Enforcement Branch in a letter to you of September 30, 2016.

Environment Act Licence No. 3095 is hereby cancelled and File No. 5689.00 is closed.

Yours truly,
