**SUBJECT: Graphics Packaging International Canada – Folding Cartoon
Manufacturing and Printing Facility (File: 5767.00)**

Air Quality Section has reviewed the above proposal and provides the following comments:

- Based on the information provided in the proposal, our SCREEN3 modeling results predicted that the concentration of all concerned pollutants will be well within the air quality guideline. Therefore, it is expected that the proposal has no significant impact on the facility's surrounding air quality.

Thank you for the opportunity to review.
