Dear Gordon Harris:

RE: RW Packaging Ltd. – Notice of Alteration to Licence 3188

Thank you for the letter dated July 8, 2020 which requests an extension to the notice of alteration approved on May 8, 2020. The request for three months extension to continue manufacturing hand sanitizers required for the COVID-19 has been accepted as a notice of alteration. You have indicated that in the meantime RW Packaging is evaluating potential process and facility modifications to manufacture hand sanitizers on a permanent basis and you will submit a detailed notice of alteration for approval.

I have reviewed your alteration request and conclude that the environmental effects of the proposed alteration will be insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act your alteration is approved as described in the July 8, 2020 Notice of Alteration. This temporary approval expires October 30, 2020 unless extended by the Director.

If you have any questions related to the above, please feel free to contact Nada Suresh, Regional Supervisor, at 204-945-8214, or Nada.Suresh@gov.mb.ca.

Yours sincerely,

Shannon Kohler
